SUBSTRATE COLLECTION Choose the perfect match for your image.

POSTER PAPER

Our best selling paper – slick, bright and high impact. Poster paper gives your image a fine art look. Ink sits on top of the paper, giving you maximum color.

ACRYLIC

Chic sophistication. Choose between 1/4" or 3/8" acrylic sheets. Print full-bleed or leave an unprinted border to showcase the substrate. Hang with stand-off's of floater bars.

MATTE PAPER

Warm, muted coloring adds depth to your image. Ink penetrates deep into the paper giving a luxurious, nostalgic look.

METAL

Modern and edgy. 1/8" commercial grade dibond gives your image a metallic shimmer in place of white. Hang with stand-off's of floater bars.

WATERCOLOR PAPER

Elevate your image with this textured paper. Choose watercolor paper for a subtle sophisticated look.

WOOD

Our 1/4" pine veneer is long lasting. The grain and knots make every board unique. The more white in your image, the more wood you'll see. Hang with stand-offs or floater bars.

CANVAS

A classic never fades. Canvas is durable, and holds ink incredibly well. Our high quality canvas can take a few hits and still look great - no scuffs here!

TEXTURED CANVAS

Embossed canvas gives impression of textured wall. Rugged grooves and raised flat areas create organic focal spots for your art.
